21 (b) FINDINGS.—Congress finds that—

22 (1)(A) the history of the American West is one
 23 of the most significant chapters of United States
 24 history; and

1 (B) the major themes and images of the history
2 of the American West provide a legacy that has done
3 much to shape the contemporary culture, attitudes,
4 and values of the American West and the United
5 States;

6 (2) the San Rafael Swell region of the State of
7 Utah was one of the country's last frontiers and pos-
8 sesses important historical, cultural, and natural re-
9 sources that are representative of the central themes
10 associated with the history of the American West,
11 including themes of pre-Columbian and Native
12 American culture, exploration, pioneering, settle-
13 ment, ranching, outlaws, prospecting and mining,
14 water development and irrigation, railroad building,
15 industrial development, and the use and conservation
16 of natural resources;

17 (3) the San Rafael Swell region contains impor-
18 tant historical sites, including—

19 (A) sections of the Old Spanish Trail, the
20 Outlaw Trail, and the Green River Crossing;
21 and

22 (B) many sites associated with cowboy,
23 pioneer, and mining history;

25 includes the activities of many prominent historical

1 figures of the old American West, such as Chief
2 Walker, John Wesley Powell, Kit Carson, John C.
3 Fremont, John W. Gunnison, Butch Cassidy, John
4 W. Taylor, and the Swasey brothers;

5 (5) the San Rafael Swell region has a notable
6 history of coal and uranium mining and a rich cul-
7 tural heritage of activities associated with mining,
8 such as prospecting, railroad building, immigrant
9 workers, coal camps, labor union movements, and
10 mining disasters;

11 (6) the San Rafael Swell region is widely recog-
12 nized for its significant paleontological resources and
13 dinosaur bone quarries, including the Cleveland
14 Lloyd Dinosaur Quarry, which was designated as a
15 national natural landmark in 1966;

16 (7) the beautiful rural landscapes, historical
17 and cultural landscapes, and spectacular scenic vis-

17 interest.

18 **SEC. 304. WATER RIGHTS.**

19 (a) FINDINGS.—Congress finds that—

20 (1) the San Rafael Swell region of Utah has a
21 high desert climate with little annual precipitation
22 and scarce water resources;

23 (2) in order to preserve the limited amount of
24 water available to wildlife, the State of Utah has

1 granted to the Division of Wildlife Resources an
2 instream flow right in the San Rafael River; and

3 (3) this preserved right will guarantee that wet-
4 land and riparian habitats within the San Rafael re-
5 gion will be protected for designations such as wil-
6 derness, semi-primitive areas, bighorn sheep areas,
7 and other Federal land needs within the San Rafael
8 Swell region.

9 (b) NO FEDERAL RESERVATION.—Nothing in this
10 Act or any other Act of Congress constitutes an express
11 or implied Federal reservation of water or water rights
12 for any purpose arising from the designation of any area
13 as part of the Conservation Area or as a wilderness or
14 semi-primitive area under this Act.

15 (c) ACQUISITION AND EXERCISE OF WATER RIGHTS
16 UNDER UTAH LAW.—

17 (1) IN GENERAL.—The United States may ac-
18 quire and exercise such water rights as the United
19 States determines to be necessary to carry out its re-
20 sponsibilities on any land designated as part of the
21 Conservation Area under this Act in accordance with
22 the substantive and procedural requirements of the
23 State of Utah.

24 (2) EMINENT DOMAIN.—Nothing in this Act
25 authorizes the use of the power of eminent domain

1 by the United States to acquire water rights for land
2 described in paragraph (1).

3 (3) SUBSTANTIVE AND PROCEDURAL REQUIRE-
4 MENTS.—Within any land designated as part of the
5 Conservation Area under this Act, all rights to water
6 granted under the laws of the State of Utah may be
7 exercised in accordance with the substantive and
8 procedural requirements of the State of Utah.

9 (d) EXERCISE OF WATER RIGHTS UNDER UTAH
10 LAW.—Nothing in this Act limits the exercise of water
11 rights as provided under the law of the State of Utah.

12 (e) COLORADO RIVER.—Nothing in this Act—

13 (1) affects the operation of any private, local,
14 State, or federally owned dam, reservoir, or other
15 water works on the Colorado River or any tributary
16 of the river, that is in existence on the date of enact-
17 ment of this Act; or

18 (2) alters, amends, construes, supersedes, or
19 preempts—

20 (A) any local, State, or Federal law;

21 (B) any private, local, or State agreement
22 entered into before the date of enactment of
23 this Act; or

24 (C) any interstate compact or international
25 treaty;

1 pertaining to the waters of the Colorado River or
2 any tributary of the river.

8 to fish and wildlife management activities, including water
9 development, predator control, transplantation of animals,
10 fish stocking, hunting, fishing, and trapping.

11 (b) PROHIBITION ON BUFFER ZONES.—

12 (1) IN GENERAL.—Congress—

13 (A) does not intend that the designation of
14 an area under this Act as part of the Conserva-
15 tion Area or a wilderness or semi-primitive area
16 lead to the creation of protective perimeters or
17 buffer zones around the area; and

18 (B) intends that any protective perimeter
19 or buffer zone be located wholly within such an
20 area.

21 (2) ACTIVITIES SEEN OR HEARD.—The fact
22 that nonconforming activities or uses can be seen or
23 heard from land within an area described in para-

12 ness or semi-primitive area under this Act, the boundary
13 of the area shall be set back from the center line of the
14 road as follows:

15 (1) A setback that corresponds to the boundary

2 Act (including those related to water and grazing re-
3 sources) that are within the Conservation Area or a
4 wilderness or semi-primitive area designated under
5 this Act, whether located on Federal or non-Federal
6 land, in order that they may be operated, main-
7 tained, repaired, modified, or replaced as necessary.

8 (2) REASONABLE ACCESS.—The reasonable ac-
9 cess referred to in paragraph (1)—

10 (A) consists of a right of entry; and

23 acquired under this subsection only by exchange or
24 purchase from willing sellers.

25 (f) RIGHTS-OF-WAY.—

1 (1) RIGHT-OF-WAY CLAIMS NOT AFFECTED.—
2 Nothing in this Act, including any reference to or
3 depiction on the map entitled “San Rafael Swell Na-
4 tional Heritage/Conservation Area Proposed”, dated
5 June 12, 1998, affects any right-of-way claim that
6 arose under section 2477 of the Revised Statutes
7 (43 U.S.C. 932) (as in effect before October 21,
8 1976).

9 (2) DEPICTIONS NOT DETERMINATIVE.—Any
10 depiction or lack of depiction of a highway, road,
11 right-of-way, or trail on the map entitled “San
12 Rafael Swell National Heritage/Conservation Area
13 Proposed”, dated June 12, 1998, shall not be con-
